

Hello Klamath-Trinity Families, this is an important message from our Superintendent. This morning, the Board of Education had to declare an emergency at the following school sites: Orleans Elementary School, Weitchpec Elementary School, Hoopa Valley Elementary School, Hoopa Valley High School and Trinity Valley Elementary School.

Due to this emergency, we will be conducting a community meeting at 1:00 p.m. today, at Hoopa Valley High School's gymnasium. At this meeting we will be sharing information on how these schools will be affected and what our plans are to address these needs. In addition, multiple staff members will be available to answer some of the questions you might have.

Please join us today, 1:00 p.m. at Hoopa Valley High School's gymnasium. For more information, please go to our website, www.ktjUSD.k12.ca.us

Thank You
