KTJUSD Parent/Teacher Conferences

Tuesday, November 13, 2018

November 2, 2018

Dear Parent/Guardian:

A parent-teacher conference is a time when important people in a student's life can talk about how that student is doing in school. It's a chance for you to ask questions about the class or your child's progress. It is also a time for you and the teacher to work together as a team to discuss ways you both can help your student. Whether your child is in elementary, middle, or secondary school, parent-teacher conferences are important. If your school does not schedule regular conferences, you can request them.

According to our Local Control Accountability Plan (LCAP), Goal #3 states:

All schools will provide a safe and welcoming learning environment for students and families

One of our expected outcomes to measure this goal is:

1. *According to teacher parent logs, 100% of the parents/guardians, including parents of students with disabilities, will participate in at least one parent/teacher conference*

Parent conferences will be held **Wednesday, November 13, and Wednesday, November 14. Please note, we will be dismissing students according to the "Minimum Day" schedule.** If you have not heard from your teacher(s) or school I invite you to schedule an appointment with your child's teachers to discuss progress and growth areas.

Teachers need your help to do a first-class job; together, we can help your child have a great school year.

Sincerely,
