#### TRANSPORTATION UPDATE

Jennifer Glueck, Superintendent: We love our bus drivers, and we know that you do too! We all want to protect the health of our bus drivers, all staff and students, and we need your help. Screen your child for Covid symptoms and check their temperatures each and every day before they leave for the bus stop. If your child or anyone in your household has symptoms of Covid or has tested positive, do not send them to the bus stop or school.

Please understand that bus drivers are not able to screen for Covid symptoms at the bus stops.

Transportation regulations do not allow buses to be stopped for the time that would be needed to perform screenings. Safety on the bus includes wearing masks at all times. We are happy to provide masks. If you choose to provide a cloth facial covering, remember to wash it daily. Students ride in assigned seats on the bus to minimize their number of contacts and are screened for Covid symptoms upon arriving at their school site. Thank you to our staff and students and families for making us KT!

Board of Trustees: The Board of Trustees is opening its meetings up to the public for in-person attendance, beginning with its meeting on Tuesday, September 14. The meeting starts at 5:00 PM for closed session and 6:00 PM for open session. In order to continue the increased access that virtual meetings have provided, meetings will continue to be broadcast on the KTJUSD YouTube Channel.

Public comment can be made in person at the meeting. If you plan to give public comment, please arrive before open session begins. Attendees must adhere to the following: wear a mask; complete a Covid symptom screening and temperature check; provide name and contact information on a sign in sheet; use hand sanitizer when entering the Board Room. Indoor seating space will be limited.
